

## WHAT IS SOAKING PRAYER?

*In the healing ministry it has become apparent that the deeper the need is for healing, the more prayer time the healing usually requires. Soaking prayer is listening to, loving, and praying for longer periods of time. It is a beautiful opportunity to wait restfully in the Lord's presence while the prayer ministers quietly intercede on your behalf. Our hope is that you will encounter Jesus, the healer and redeemer, in a deep and healing way.*

**Please write your prayer requests on the other side of this card. The prayer ministers will be reading it as they come around to pray for you. Please indicate on the reverse side of this card your permission to lay hands during prayer (yes or no).**
